

SSN College of Engineering

LABORATORY RECORD

Subject: Web Application Development Laboratory

Exercise 1: College Symposium Website using HTML alone

SUBMITTED BY:

Name: Vijayaraaghavan K S
Register Number: 3122247001066
Branch: Department of CSE
Semester / Year: V Semester / III Year

1. Problem Description

Scenario:

Your college is organizing a national-level technical symposium called "TechNova 2026". The organizing committee wants a website to provide information about the event, showcase competitions, display schedules, and allow students to register online.

Design and develop a website using only HTML (pure structure with no external CSS styling, utilizing basic layout features like lists, tables, forms, and custom horizontal rule/font formatting as a beginner web student).

Website Structure & Content:

- Page 1: Home (index.html) - Welcome, banner, symposium details, highlights list.
- Page 2: About (about.html) - Objectives, vision/mission, department info.
- Page 3: Technical Events (technical.html) - Details, rules, and images of 4 events.
- Page 4: Non-Technical Events (nontechnical.html) - Details, rules, and fee of 4 events.
- Page 5: Event Schedule (schedule.html) - Timetable structured using HTML table elements.
- Page 6: Registration (register.html) - Student info entry form with inputs, select dropdowns, and buttons.
- Page 7: Contact Us (contact.html) - Coordinator details, address, and embedded map placeholder image.

2. Source Code

File: index.html

    <h2>Welcome to TechNova 2026</h2>
    <p><b>Theme:</b> Empowering Minds, Inspiring Innovations</p>
    <p><b>Date:</b> 12th & 13th September 2026</p>
    <p><b>Venue:</b> Central Seminar Hall, Sri Krishna College of Engineering</p>
  </center>

  <p>Welcome to <b>TechNova 2026</b>, the prestigious national-level technical symposium
  organized by the Department of Computer Science and Engineering. This year, we bring together the
  brightest minds from colleges across the nation to learn, compete, and share knowledge. Over the
  course of two action-packed days, participants will engage in technical contests, workshops, and
  energetic non-technical events designed to test skill and creativity.</p>

<!-- Main Content -->
<h2><font color="#800020">About the Symposium</font></h2>

<h3>Objectives</h3>
<p>Our main objective is to provide a nationwide platform for aspiring engineers to display
their technical prowess. We aim to foster healthy competition, encourage teamwork, and bridge the
gap between academic theory and practical applications.</p>

<h3>Vision and Mission</h3>
<p><b>Vision:</b> To cultivate a culture of innovation and excellence among engineering
students, making TechNova a landmark national symposium.</p>
<p><b>Mission:</b> To nurture technical leadership and problem-solving skills through hands-on
challenges, collaboration, and knowledge sharing.</p>

<h3>Organizing Department</h3>
<p>This symposium is proudly conceptualized and managed by the student body and faculty members
of the <b>Department of Computer Science and Engineering (CSE)</b>.</p>

<h3>Why You Should Participate</h3>
<p>TechNova is not just a competition; it is a learning experience. You will have the
opportunity to challenge your limits, benchmark your skills against peer groups from different
regions, and receive feedback from industry experts.</p>

<h3>Benefits of Participation</h3>
<ul>
    <li>Participation certificates for all registered students.</li>
    <li>Lucrative cash awards for winners and runners-up.</li>
    <li>Networking opportunities with peer coders and mentors.</li>
    <li>Chance to win internship referrals from our sponsors.</li>
</ul>

TechNova 2026

National Level Technical Symposium

[Home](#) | [About](#) | [Technical Events](#) | [Non-Technical Events](#) | [Schedule](#) | [Register](#) | [Contact Us](#)

About the Symposium

Objectives

Our main objective is to provide a nationwide platform for aspiring engineers to display their technical prowess. We aim to foster healthy competition, encourage teamwork, and bridge the gap between academic theory and practical applications.

Vision and Mission

Vision: To cultivate a culture of innovation and excellence among engineering students, making TechNova a landmark national symposium.

Mission: To nurture technical leadership and problem-solving skills through hands-on challenges, collaboration, and knowledge sharing.

Organizing Department

This symposium is proudly conceptualized and managed by the student body and faculty members of the **Department of Computer Science and Engineering (CSE)**.

Why You Should Participate

TechNova is not just a competition; it is a learning experience. You will have the opportunity to challenge your limits, benchmark your skills against peer groups from different regions, and receive feedback from industry experts.

Benefits of Participation

- Participation certificates for all registered students.
- Lucrative cash awards for winners and runners-up.
- Networking opportunities with peer coders and mentors.
- Chance to win internship referrals from our sponsors.

Technical Competitions

Event 1: Paper Presentation

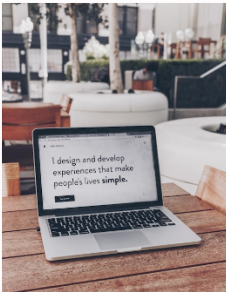

Description: Present your innovative research proposals and technical ideas before a panel of academic and industry judges.

Rules: Team size: 1-2 students. Total time: 8 minutes presentation + 2 minutes Q&A.

Prize Pool: First Place: Rs. 5,000 | Second Place: Rs. 3,000

Event 2: Web Design Contest

Description: Build a responsive, visually stunning website based on a surprise theme provided on-spot.

Rules: Individual event. Duration: 3 hours. Use of frameworks/libraries is restricted (HTML/CSS/JS only).

Prize Pool: First Place: Rs. 5,000 | Second Place: Rs. 3,000

Non-Technical Events

Event 1: Photography Contest

Description: Capture moments based on a specific theme announced at the start of the day. Show your perspective.

Rules: Individual event. Mobile phones or DSLRs are allowed. Editing tools are not permitted.

Registration Fee: Rs. 100

Prize Pool: First Place: Rs. 2,000 | Second Place: Rs. 1,000

Event 2: Mastermind Quiz

Description: A brain-teasing general knowledge and technical quiz tournament for quiz enthusiasts.

Rules: Teams of exactly 2. Features a preliminary written round followed by a stage-based final round.

Registration Fee: Rs. 100

Prize Pool: First Place: Rs. 2,000 | Second Place: Rs. 1,000

Event 3: Campus Treasure Hunt

Description: Decode cryptic clues hidden across campus to uncover the final treasure before other teams do.

Rules: Teams of 3-4 members. Safe play is mandatory; coordinates must be within college boundaries.

Registration Fee: Rs. 150

Prize Pool: First Place: Rs. 2,500 | Second Place: Rs. 1,500

Event 4: Esports Arena

Description: Compete in intense, fast-paced matches on popular multiplayer games in our gaming zone.

Rules: Individual/Team slots available. Knockout brackets format. Bring your own headphones.

Registration Fee: Rs. 200

Prize Pool: First Place: Rs. 3,000 | Second Place: Rs. 1,500

5. Learning Outcomes

Through this lab exercise, I successfully learned the fundamental structure and syntax of HTML. I understood how to design clean layouts using headings, lists, tables, forms, fieldsets, and text properties. I was able to build a functional multi-page website with a simple navigation menu using pure HTML tags and attributes.
